Peel Castle. Now a mass of ruins, in former times Peel Castle was one of great importance. It is built on a rocky island occupying an area of about 5 acres; within its walls are the remains of St. German's Cathedral. There are many legends to interest visitors, chief of which is the tradition of the Mauthe Dhoo—a spectral hound—which used to haunt the Castle.

Dear Sir,  
I have just received your letter of the 12th inst. and am glad to hear that you are well. I am well and hope this finds you the same. I am sorry to hear that you are not very well. I hope you will get better soon. I am, Sir, very respectfully,  
Yours faithfully,
